SEEKING GOD'S DIRECTION UPDATE

In the last business meeting, the following three resolutions were approved by the congregation:

- The acceptance of a recent offer to purchase the current property of Trinity Bible Church on 1717 Bow Valley Trail in Canmore
- The acceptance of the purchase of a new building site for Trinity Bible Church as recommended by the Church leadership
- The approval to allow the church Leadership to engage the Town of Canmore to seek re-zoning of the recommended new building site

We believe that God has wonderfully orchestrated the process to this point, and we pray and look forward to His leading as we face the upcoming challenges of a re-zoning with the Town of Canmore and designing and building Trinity's new church on the amazing property of 105 Harvey Heights Road. There will be a virtual Open House on April 6 at 5:30PM. If you would like to attend to ask questions and express your support for our project, you are very welcome to do so by registering for the open house. You can register by emailing ayadav@mcelhanney.com.
